Here James and Tyler check out the playground and use the computer in the HMK library.

Ray and Anthony found the clay and set to making sculptures of things they enjoy. Ray's bicycle was only missing the spokes and chain!

Upcoming events!

March 3, 2006. No School. No mentoring!

March 7 + 8, 2006, 5:00 PM, City Office Council Chambers. Informational Meeting

These meetings are for those interested in becoming a mentor. Tell your friends to come and find out more about mentoring. No commitment, just information. It would be great to have mentors at the meetings to speak about their experiences, so please come and help us recruit more volunteers!

March 15, 2006, 3:30-5:00 PM, HMK Team building activity

All mentors will meet at HMK to learn, have fun, and become better teammates in this project of raising our children. Learning for Life will be visiting with activities and games to facilitate teamwork, solidarity, and self-discovery. We want to see EVERY mentor here! *This is for mentors only. But don't worry, there's a mentee/mentor activity March 30!*

March 16, 2006, 11:00 AM, District Office Board Room

This is happening earlier than usual, at 11AM! All mentors are invited to take part in our monthly Brown Bag Lunch. Come talk with other mentors about your experiences. This is an informal opportunity to see what kinds of mentoring activities are working for others and share with others what is working for you. GrandAM staff will be there too to answer questions and help in any way we can. These are held the third Thursday of every month.
