We'll follow swimming with some light snacks in the park.

Idea of the Month:

Bring in a digital or disposable camera. Instruct your mentee how to take photos and together look up photography techniques on the Internet. Download to a laptop, print, or develop photos for the next session, where you can discuss and arrange pictures into an album or slideshow. You might bring in a photo worksheet like the one found on our website:

Closing

We're so excited to have you as part of our mentoring team. I can already feel that this is going to be a year of growth and fun for everyone.

I hope to see you at the pool party!

Best wishes,

Dan
