What fun! What excitement! What chaos! Mentors and mentees had a grand time at the Grand Center on May 11.

Rick Boretti's magic made our day, Sydney Francis' art project amazed us, and Zak's pizza pleased us. A nice portion of free t-shirt and recognition pie topped it all off.

Organizers estimated the number of attendees to be approximately 120.

It was a perfect close to a wonderful inaugural year.

Many thanks to all.

Idea of the Month:

Bring some self-addressed, stamped envelopes to give to your mentee so he/she can write to you or send photos over the summer. You can take your mentees address too (call the GrandAM office if you need it) and send him or her cool correspondence from your warm summer.

Closing

This is our final newsletter for the 2005/2006 school year. We hope that you have enjoyed mentoring this year and are eager to start up in August. Don't miss our summer gatherings, as they're sure to be fun and will give you a chance to catch up with your mentor or mentee.

Working with people as wonderful as you is more than I could ever ask for. I can't wait to see you this summer!
