

Activities We Can Do Together at School or During the School Day

- Read a book
- Study for a test
- Complete homework
- Join (or find more about) a school club, sports, activity, etc.
- Review previous tests and homework
- Discuss managing time effectively
- Do research on the Internet
- Do research in the school library
- Talk about what happened during the school day
- Talk about disappointments at school
- Talk about successes in school
- Discuss being accountable for your own action, responsibilities
- Create a notebook to organize schoolwork
- Create academic goals (both short and long term_
- Learn effective study habits
- Discuss strategies for taking tests
- Talk about the best (and the worst) parts of school
- Work on spelling—and how to use a dictionary
