

Your Future Needs a Scholarship!

Keys to getting scholarships...

- Take challenging classes and get good grades!
- Study for and take the ACT test your junior and senior year.
- Apply for everything! Concentrate first on the university where you want to attend, but apply for at least two universities!
- Find out who is in charge of scholarships at your school! Make sure they know you what you want to study!
- Check with your parents' employer. Many companies offer scholarships to children of employees.
- Keep a record of your service and leadership activities!
- Join a club or a team!
- Make a four year plan, especially for the Regents Scholarship!
- Apply for FAFSA even if you don't think you will qualify, www.fafsa.ed.gov. It's free.
- Try some scholarship searches. Fast Web, UtahFutures and Wirescholar are good ones.
- Save money for college! Utah Education Savings Plan, www.uesp.org
