Dear Friend,

My mentor and I are from the small town of Moab, Utah, in the United States of America. I am ____ years old and in ____ grade. I like to _____. I go to school at _____, where _____ mentors me.

Moab is in Southeastern Utah. Moab is in a desert, surrounded by lots of cliffs, and the Colorado River is nearby. Seven thousand people live here. Many people visit to use jeeps, four wheelers, dirt bikes, mountain bikes, and hike in the National Parks.

We wanted to send Flat Stanley to see where he might go. All you have to do to help us is:

1. Send a picture postcard to us telling us who you are, where you are from, and what you did with Stanley.

Delicate Arch, Arches National Park

Please send it to:

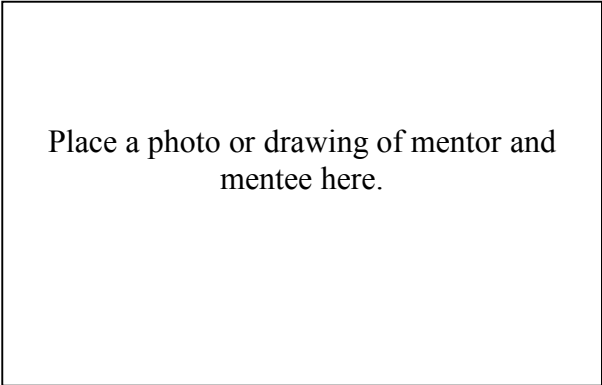

Mentor Name
Address
Moab, UT 84532

2. Put Stanley and this letter into an envelope and send him to a friend or family member in a new place.

We are going to follow Stanley's route on a map and study where he goes. Please send him to someone reliable! Thank you so much.

Sincerely,

Mentee and Mentor Name

PS. We want to see how far he goes by June 1, 2007. If you get him on or after this date, please send Stanley home to the address above.
