### Compulsory Education and Truancy Information

Dear Parent/Guardian,

This notice is to remind you of the attendance policy at Grand County High School and the Utah Compulsory Attendance Laws.

According to the Utah Compulsory Attendance Laws (U.C.A. 53A-11-101), every school age child must be in school. Parents/Guardians and students at GCHS are responsible for regular school attendance. It is essential that students attend school regularly because regular attendance is linked to positive school performance. The position of the Grand County School District is that it will comply with its part of the attendance process, specifically, monitoring student attendance and communicating with parents if attendance becomes an issue.

**The following is an excerpt from the Student Handbook:**

“A parent/guardian must write an excuse giving your name, date, days of absence and reason for absence. A note must be brought to school within **three (3)** school days. If this does not occur, the absence will be considered truancy.”

Occasionally, a student must be absent from school for reasons which are acceptable to the school. When this occurs, please send a note signed by parent or guardian to school each time your child is absent, explaining the reason for the absence. If possible, please pre-arrange absences with the appropriate forms.

Your cooperation is needed to help us give your student a quality education. **Please sign below indicating that you have received this notice and understand its content; and please return this letter to school.**

### **Información sobre educación obligatoria y absentismo escolar**

Estimados Padres/Guardianes,

Este aviso es para recordarles las normas de asistencia a clases vigentes en la Escuela Preparatoria del Condado Grand, así como también sobre las Leyes de Asistencia Escolar Obligatoria que rigen en el Estado de Utah.

Según las Leyes de Asistencia Escolar Obligatoria del Estado de Utah (U.C.A. 53A-11-101), todo niño en edad escolar debe asistir obligatoriamente a la escuela. Los padres/guardianes y estudiantes de la Escuela Preparatoria del Condado Grand son responsables de la asistencia regular a clases. Es esencial que los estudiantes asistan regularmente a la escuela porque la asistencia a clases está ligada a un rendimiento escolar positivo. La posición del Distrito Escolar del Condado Grand es cumplir con su parte en el proceso de asistencia de los estudiantes a clases, específicamente monitorear la asistencia a clases y mantener una comunicación efectiva con los padres si el tema de la asistencia escolar se vuelve un problema.

#### **El siguiente es un fragmento del Manual de los Estudiantes:**

“El padre/guardián debe entregar una excusa por escrito. La nota debe tener el nombre, la fecha, los días de ausencia y la razón de la misma. La nota debe entregarse a la escuela a más tardar tres (3) días después de producida la ausencia a clases. Si no se entrega la nota en el plazo previsto, la falta será considerada como ausentismo escolar.”

Ocasionalmente, un estudiante debe ausentarse de clases por razones aceptadas por la Escuela. Cuando esto ocurre, por favor mande una nota firmada por los padres o guardianes cada vez que su hijo deba faltar a clases, explicando las razones para dicha ausencia. Si es posible, por favor arregle con anticipación las ausencias y llene los formularios apropiados para el caso.

Su cooperación es muy necesaria para ayudarnos a proveer una educación de calidad a sus hijos.  
**Por favor firme más abajo indicando que recibió esta nota y devuélvalo a la escuela.**

## **STUDENT Technology Acceptable Use Policy**

The Grand County School District utilizes a Local Area Network (LAN) and the "Internet" for use by faculty and students in conjunction with Utah Education Network (UEN). The School District shall encourage students to use such tools by establishing individual Internet accounts, which may be used at the discretion of the schools. Such use shall be limited to times and circumstances that will not interfere with the scheduled education programs of schools and consistent with acceptable use policies of the district.

Any person who is granted an Internet account shall be referred to herein as an "account holder". Unless transmitted to others by the account holder or with the account holder's permission, the information created by the Internet account holder shall be deemed confidential information of the account holder. ### **4. Network Etiquette**

All users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- a) Be polite. Do not get abusive in your messages to others.
- b) Use appropriate language. Do not swear, use vulgarities or any other inappropriate language. Do not engage in activities which are prohibited under state or federal law. Messages and activities relating to or in support of illegal activities shall be reported to the authorities and could result in the loss of user privileges.

## 6. Education

- a) Internet safety policy provides for the education of minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. This is done through state approved programs and will be presented every year in every school.

## 7. No Warranties

Grand County School District and UEN make no warranties of any kind, whether expressed or implied, for the services they provide. Grand County School District and UEN will not be responsible for any damages a user suffers. This includes loss of data resulting from delays, non-deliveries, mistaken deliveries, or service interruptions caused by the District or UEN's negligence or by the user's own risk. Grand County School District and UEN specifically deny any responsibility for the accuracy or quality of information obtained through this service. All users need to consider the source of any information they obtain, and evaluate how valid that information may be.

## 8. Security

- a) Security on any computer system is a high priority, especially when the system involves many users. Users must never allow others to use their password. Users should also protect their password to ensure system security and their own privilege and ability to continue to use the system. **All account activity is logged.**
- b) If you feel you can identify a security problem on the Internet, you must notify a system administrator.
- c) Do not demonstrate the problem to other users.
- d) Do not use another individual's account.
- e) Attempts to log on to the network as another user may result in cancellation of user privileges.
- f) Attempts to log on to the network as a system administrator may result in cancellation of user privileges.
- g) Any user identified as a security risk for having a history of problems with other computer systems may be denied access to the Internet by Grand County School District or UEN.
- h) Students will comply with all District security and technology policies.

- c) Harassment is defined as the persistent annoyance of another user, or the interference of another user's work. Harassment includes, but is not limited to, the sending of unwanted e-mail, text messages, social media communications or other forms of electronic communications.
- d) Unauthorized access of the network, whether on district devices or personal devices, will be considered hacking unless otherwise approved.

## **10. Procedures for Use**

- a) Students will follow written and oral classroom instructions.
- b) Students may not install unapproved software.
- c) All media (CDs, USB drives, etc) must be scanned for viruses before use in district computers.
- d) Use of games and activities played on the Internet and LAN shall be educationally related. These activities will be approved and monitored by a staff member, or listed on the building site. All users agree to talk softly and work in ways that will not disturb other users.

## **11. Encounter of Controversial Material**

Users may encounter material which is controversial and which the user, parents, teachers or administrator may consider inappropriate or offensive. However, on a global network it is impossible to effectively control the content of data, and users may discover controversial material. Users must notify the instructor, or GCSD Technology Office, or an Administrator of any inappropriate material. It is the user's responsibility not to initiate access to such material. Any decision by Grand County School District to restrict access to Internet material shall not be deemed to impose any duty on the District to regulate the content of material on the Internet.

## **PENALTIES FOR IMPROPER USE**

1. Any user violating these rules, applicable state and federal laws, and posted classroom rules, particularly accessing pornographic materials, is subject to loss of network privileges and any other district/building disciplinary actions.

Devices that are not on this list may not be connected to District infrastructure. Although IT currently allows only listed devices to be connected to District infrastructure, it reserves the right to update this list in the future.
2. IT reserves the right to refuse, by physical and non-physical means, the ability to connect mobile devices to District and District-connected infrastructure. IT will engage in such action if it feels such equipment is being used in such a way that puts the District's systems, data, student, staff and faculty at risk.
3. IT will manage security policies, network, application, and data access centrally using whatever technology solutions it deems suitable. Any attempt to contravene or bypass said security implementation will be deemed an intrusion attempt and will be dealt with in accordance with GCSD's overarching security policy.
4. Grand County School District and its agents reserve the right to inspect any student device that is being used for suspicious activity. Suspicious activity can be determined through physical and electronic means.

# Liability
